

100 Club

Join our 100 Club for a chance to win cash prizes every month!

The 100 Club is a chance to win some money for yourself and also raise some money for Chingford Scouts' Jamboree Fund.

For every £1 share, 50p goes to the cash prizes and 50p to the Fund.

How to Play

Decide how many shares you want e.g. 5 would cost £5 a month entitling you to five shares with 15 chances to win one of three prizes in every draw.

Complete a monthly Standing Order or send a cheque for the whole year's payment together with an Application Form to the address shown on the form.

The more shares sold, the more money you win – if there are 100 shares sold, the first prize each month will be £25!

The Club is properly licensed - See the link below for the full set of Rules and to download an Application form.
